Additionally, concerning funds held as internal reserves, the Company plans to utilize these funds for measures such as investment in future business expansion and strengthening of its financial standing.

#### **Proposal No. 2:** Partial Amendments to the Articles of Incorporation (1)

- 1. Reason for proposal
  - (1) With the intent of establishing a target for responding with stability in the future to new domestic equity ratio standard regulations for banking holding companies (so-called "Basel III"), the Company completed on April 7, 2015 the acquisition and retirement (replacement) of Class 2 Preferred Shares by way of financing through issuance of The First Series of Class 7 Preferred Shares, and on April 10 of the same year, resolved to issue and sell ordinary shares, and completed the issuance of ordinary shares. As a result of completing the above replacement of preferred shares and issuance of ordinary shares, the Company can aim to respond with stability in the future to "Basel III," and as such, the Company proposes removing all regulations in the Articles of Incorporation concerning preparation for the future issuance of preferred shares. In line with this, regulations concerning preferred shares are proposed to be removed, with the exception of regulations pertaining to currently issued Class 3 Preferred Shares and the First Series of Class 7 Shares, and in order to reduce the total number of shares authorized to be issued for Class 3 Preferred Shares and the First Series of Class 7 Shares to the number of currently issued shares, the Company proposes the removal and amendment to relevant sections as follows.
  - (i) Regulations shall be removed for Class 2, the First Series to the Third Series of Class 4, the First Series to the Third Series of Class 5, the First Series to the Sixth Series of Class 6, and the Second Series to the Sixth Series of Class 7 Preferred Shares, and regulations shall be amended for Class 3 and the First Series of Class 7 Preferred Shares to change the total number of shares authorized to be issued to the number of currently issued shares (Article 6, Paragraph 2 of the current Articles of Incorporation).
  - (ii) Regulations shall be removed for Class 2, the First Series to the Third Series of Class 4, the First Series to the Third Series of Class 5, the First Series to the Sixth Series of Class 6, and the Second Series to the Sixth Series of Class 7 Preferred Shares, and relevant sections shall be amended (Article 14, Paragraph 1, Article 15, Paragraph 1, Article 16, Article 17, Paragraph 1, Paragraph 3 to Paragraph 6, Article 17-2, Article 17-3, and Article 27, Paragraph 3 of the current Articles of Incorporation).
  - (2) Due to the promulgation of the "Act for Partial Revision of the Companies Act" (Act No. 90 of 2014), the number of paragraphs in Article 763 of the Companies Act has changed, and the Company proposes amendments to the relevant sections (Article 14, Paragraph 3 of the current Articles of Incorporation).
  - (3) Other changes to the number of Articles and relevant sections as a result of the above changes (Article 17, Paragraph 2, Paragraph 6, Paragraph 7, and Article 17-3, Paragraph 4 of the current Articles of Incorporation).
